

Exhibit G

IN THE CIRCUIT COURT OF JASPER COUNTY, MISSOURI

Case No.: 24AP-FC00260

Exhibit G – Certified Transcript of Conversation with Attorney Tracey Martin

Date of Recording: February 13, 2025

Participants: Sherif Aboul-Magd (Respondent), Attorney Tracey Martin

Sherif:

I show up to all my kids' visits, I'm up to almost **50 or 60 supervised** visits now. I'm paying everything I can. The other side is just trying to **out-money me**.

Are you there?

Tracey Martin:

Yeah, I'm here.

Sherif:

The other side is trying to **out-money me**. I'm **closing a restaurant**. I'm **losing everything**. And I have strangers coming to my house **just to watch me hang out with my kids**.

And **I can't have my own mom at visits**, but she can have her **whole family there**. She can go to **Canada, do anything she wants**, but I get punished.

Sherif:

And I'm getting my ass kicked just because, just because of me.

Tracey Martin:

Because she recorded you and took all that to Emily Taylor. Then they took it to a prosecutor and got charges filed.

Sherif:

Okay, but **I have my side too**. And no one has heard my side, **not even once**.

Tracey Martin:

That's correct. **And that's how criminal law works.**

Sherif:

Well, we're not talking about criminal law. I'm talking about, you know my side and you know this isn't right.
